

**Operator Training Key Decisions Made By Implementing Agencies (Decisions 1 -5)**

Region Number	Commonwealth/ State/Territory	Notable Training Approach(es)	Training Deadline	Limitations: Oversight of Tanks; Facilities; Training Attempts; or Other	Combines A & B Training (Y/N)	Approves/Certifies Trainer or Training Course (Active/Passive/No)
Region 1	Connecticut	ICC Exam: Class A and Class B operators	8/8/2012	N	N	Active
	Maine	State Exam: The State's TankSmart program will be utilized	8/8/2012	N: (Proposed rule)	Y: Facilities are welcome to designate operators	Active
	Massachusetts	State Exam	8/8/2012	If a person fails the test three times, they have to wait at least three months before testing again	Y	Passive
	New Hampshire	Classroom	8/8/2012	N	N	Active
	Rhode Island*	ICC Exam: NEIWPC	8/1/2012	N	N: Rhode Island is planning on offering 3 ICC exams	N: The State will not approve any training courses since everyone has to pass the ICC exams.
	Vermont	ICC Exam or other approved test	8/1/2012	N	N	Active
Region 2	New Jersey	Unknown: Leaning towards implementing ICC Exams	8/8/2012	Unknown	Unknown: Under Consideration	Active: Leaning towards Active
	New York*	ICC Exam: New York specific	Unknown	To be determined, but there will be limitations included in new State regulations	Unknown	N
Region 3	Delaware	Classroom: Local Community College	8/8/2012	N	Y: Maintains separate A & B designation	N
	District of Columbia	Multiple: Several training providers offer online, classroom, and on-site training	8/8/2012	N	N: Operators can be designated A and/or B	Active
	Maryland	Multiple: ICC Exam (Maryland based), Approved third party training programs, both classroom and web/internet based	8/8/2012	Y: Attendance of 100 percent during the certification program, 80 percent or greater on exams	Y: Maintains separate A & B designation	Active
	Pennsylvania	Multiple: Classroom and on-site	8/8/2012	N	Y: Maintains separate A & B designation	Active
	Virginia	On-site	8/8/2012	N	Y: May take combined Class A/B training	Active
	West Virginia	Unknown	8/8/2012	Y	Y/N: It depends on the training provider	Active
Region 4	Alabama	Multiple: Department Approve Programs and Reciprocity with another approved State Program	8/8/2012	N	Y: Allowed, but not required	Active
	Florida*	Unknown	Unknown	Unknown	Unknown	Unknown
	Georgia	ICC exam	8/8/2012	Y: Test failure must receive "training" of choice and retake test	Y: Maintains separate A & B designation	Active
	Kentucky	Web/Internet based	2/8/2012 (Proposed in Kentucky's draft regulations)	Y: Once an individual has failed the training three times in a row, they must contact the UST Program office for assistance	Y	N: Kentucky will only allow its online training course, so there are no courses or trainers to approve
	Mississippi*	Unknown	Unknown	Unknown	Unknown	Unknown
	North Carolina	Multiple	8/8/2012	Y: Cannot be third party contractor	Y	Active: Online retraining programs will be reviewed
	South Carolina	Web/Internet-based	8/8/2011	Y: Must perform quarterly site visits	Y: Maintains separate A & B designation	Active
	Tennessee	Multiple: Web/Internet-based, ICC Exam	8/8/2012	N	N	Active

**Operator Training Key Decisions Made By Implementing Agencies (Decisions 1 -5)**

Region Number	Commonwealth/State/Territory	Notable Training Approach(es)	Training Deadline	Limitations: Oversight of Tanks; Facilities; Training Attempts; or Other	Combines A & B training (Y/N)	Approves/Certifies Trainer or training Course (Active/Passive/No)
Region 5	Illinois	Unknown: It is subject to any changes after industry outreach	8/8/2012	N: Special limitations providing that the applicable training and testing requirements are met	Y: The training may be combined	Unknown
	Indiana	ICC Exam	8/8/2012	Y: Class B operators < 40 facilities	N	Passive
	Michigan*	Unknown	Unknown	Unknown	Unknown	Unknown
	Minnesota	State Exam	8/8/2011 & 8/8/2012	Y: Class A, B, and C must be the owner, operator, or designated employee, also fail must take agency training course and retake exam within 60 days	Y: Through approved third-party training providers	Active
	Ohio	State Exam: Training courses by State and licensed parties	8/8/2012	N	Y	Active
	Wisconsin	Web/Internet-based	1/1/12 & 8/8/12 Except designated small businesses only	Y: Need 75 percent or better on exam to avoid department training	N	Active
Region 6	Arkansas	State Exam	8/8/2012	N	N	N
	Louisiana	Classroom: Funded by the State	Within nine months of inspection date and 8/8/2012	N	Y: Combined A & B take first half of seminar, B only in second half of seminar	Active: LDEQ approves/certifies the trainers provided by the contractor used under co-operative agreement
	New Mexico	Multiple	7/1/2010; 7/1/2011; and 7/1/2012	Y	N	Active
	Oklahoma	Web/Internet-based	July 2011	Y: Class B (Less than or equal to 30 facilities)	N	Active
	Texas*	Multiple	8/8/2012	Y: Class B operators are limited to a maximum of 50 facilities. No facility limit on Class A or C operators	N: Certification as a Class B operator also entitles individuals to certification as a Class A operator	Active
Region 7	Iowa	Classroom and Web/Internet-based	12/31/2011	N	Y: Do allow Class A & B training or separate, all approved training have combined them	Active
	Kansas	Classroom: Funded by the State	8/8/2012	N	Y	Active
	Missouri*	Unknown: Two bills (House Bill 192 and Senate Bill 135) have been proposed that would enact operator training in Missouri	The PSTIF Board must determine by 4/1/2012 whether to implement the training program	Unknown	Unknown: This issue has not yet been resolved	Unknown
	Nebraska*	Unknown	8/8/2012	Unknown	N	Active
Region 8	Colorado	ICC Exam	1/1/2010	N	N	Active
	Montana	Web/Internet-based (TankHelper)	8/8/2010	N	Y: Maintains separate A & B designation	Active
	North Dakota	Web/Internet-based	8/8/2012	N	N	Active
	South Dakota	Classroom: Training funded by the State	8/1/2012	N	Y: Maintains separate A & B designation	Active
	Utah	Classroom: Alternative is ICC	1/1/2012	N	Y: Maintains separate A & B designation	Active
	Wyoming	ICC Exam	11/10/2009	Y: Class B operator can supervise over a maximum of 15 fueling facilities	N	N

**Operator Training Key Decisions Made By Implementing Agencies (Decisions 1 -5)**

Region Number	Commonwealth/ State/Territory	Notable Training Approach(es)	Training Deadline	Limitations: Oversight of Tanks; Facilities; Training Attempts; or Other	Combines A & B training (Y/N)	Approves/Certifies Trainer or training Course (Active/Passive/No)
Region 9	Arizona	Unknown: Anticipated that training will be implemented by a third party	Within 30 days of 8/9/2012	N	N	Passive
	California	ICC Exam: California specific International Code Council Exam	1/1/2005	Y: Can only take two exams per six month period	Y: Designated UST Operator - fits Class A	N
	Guam*	Unknown: Initial training will be contracted	August of 2012	N	Y: Maintains separate A & B designation	Active
	Hawaii*	State Exam: Certification program approved or administered by the Department of Health	No later than 120 days after the effective date of the rules	N	N	Active: The State needs to approve the program
	Nevada*	Multiple	August of 2012 (probable)	N	N	Unknown
Region 10	Alaska*	Multiple: Operators can choose what is best for them. All vendors will be required to have their training approved by the State.	December 2012 (prospective)	N	N	N: The State will handle A & B; C is up to the A operators
	Idaho	On-site: By the state (using TankHelper)	4/21/2008 (began)	N	Y	Active
	Oregon	Multiple: In-class; option for ICC exam	8/8/2009	N	N	Active
	Washington*	Multiple	8/8/2012	N: Except will allow operators to choose the ICC exams which has limitation on the number of attempts to pass the test	Y: Most of the training contractors are planning on combined A & B operator training courses, but not all	Active

**Operator Training Key Decisions Made By Implementing Agencies (Decisions 6 -10)**

Region Number	Commonwealth/ State/Territory	Training Period Allowed Class A (Days)	Training Period Allowed Class B (Days)	Retrained for Noncompliance (Class A or B; Either as directed; or Both)	Length of Time Allowed to Retrain (Days)	Refresher Training(Frequency)
Region 1	Connecticut	30	30	Either as directed	30	Y: Every two years
	Maine	30: Based on proposed rule	30: Based on proposed rule	In the proposed rule, the Class A operators will be required to retrain in the event of alleged non-compliance	30	Y: The rules require Class A/B and C operators to be retrained every two years
	Massachusetts	30	30	Either as directed	Unspecified	N: One time requirement
	New Hampshire	30	30	Either as directed	30	Y: Every two years (A&B)
	Rhode Island*	30	30	Either as directed	60	Y: The ICC exams will be good for five years
	Vermont	30	30	Either as directed	60: Also every two yrs for Class A, B, and C when certification expires	Unknown
Region 2	New Jersey	Unknown	Unknown	Unknown	Unknown	Unknown
	New York*	Unknown	Unknown	Unknown	Unknown	Unknown
Region 3	Delaware	45	45	Either as directed	Determined by State	N
	District of Columbia	30: Within assuming duties	30: Within assuming duties	Both- Class A & B	60	N: Only if retraining is required due to non-compliance
	Maryland	30	30	Either as directed	60	N
	Pennsylvania	30	30	Either as directed	Determined by State	Y: Class C Annually
	Virginia	60	60	Both- Class A & B	90	Y: Retraining of Class A/B for non-compliance
	West Virginia	30	30	Class A, B and C	30	Y: If an operator wants refresher training
Region 4	Alabama	30	30	Class A, B and C	Determined by State	N
	Florida*	Unknown	Unknown	Unknown	Unknown	Unknown
	Georgia	30	30	Either as directed	Unspecified	N
	Kentucky	30	30	Both- Class A & B	Determined by State: The Notice of Violation issued will designated the amount of time, but generally will be 30 days	N
	Mississippi*	Unknown	Unknown	Unknown	Unknown	Unknown
	North Carolina	30	30	Both- Class A & B	Determined by State	N
	South Carolina	30	30	Either as directed	30	N
	Tennessee	30	30	Either as directed	Unspecified	N
